

Parent Consultation Meetings - FLN Warwick

Dear Parent,

We are almost halfway through the AS and A2 syllabi now and as assessment data is in for the first term we wanted to let you know how things are going.

Overall, the students are a delight to teach, hardworking and definitely stepping up to the mark in employing those OneSchool Skills. Some however could be doing more work outside the two VC sessions a week: each subject should be studied for around 10 hours/lessons per week. Do have a look at their files with them and ask them to show you what they are doing online. We really do appreciate your support with their studies.

To catch up with the progress your child is making on the FLN courses taught online from Warwick, in the first instance please speak to the VC coach in your own campus. If we have a concern, we will let the VC coach know and they may ask you to make an appointment. Alternatively if you have concerns the campus cannot address we will be happy to speak to you, bear with us though, the team teach over 250 students!

Appointments will be for 10 minutes by phone and the teacher will ring you.

To book an appointment, either go to the web address for the booking system for the teacher you would like to speak to or using your smartphone, scan the QR code using the Smart Tags app on your BlackBerry. Open the link in the browser and book via your smartphone.

Appointments will be on Tuesday, Wednesday and Thursday from 3-4pm, November 29th to December 8th.
